Dear Mr Wyatt

Personal Additional Accommodation Expenditure (PAAE) 2009/2010

Thank you for your PAAE claim dated 14 May 2009, a copy of which is enclosed for ease of reference.

With reference to your claim of £112.12 for food; as from 1 April the food allowance was replaced by a subsistence allowance. The subsistence allowance allows members to claim £25 for each night spent at their second home.

You may either resubmit the claim for subsistence immediately, entering the actual number of overnight stays as at the relevant date; or wait until the end of the month before submitting a claim for the full period.

Regarding the amount of £675 in respect of repairs and redecoration to a damp affected exterior bedroom; can you please let us have more information regarding the circumstances which led to that area becoming damp and whether the repairs could be met by your insurers?

We have withheld an amount of £787.12 from your April 2009 claim (i. e. £112.12 for food and £675 for repairs) pending a response from you.

The remainder of your claim, totalling £2,033.69, has been processed and the funds should reach your account within the next few days.

If you have any questions regarding the above, please contact me or the Enquiry and Advice team on extension 1340.

Dear Ms Maynard

Thank you for your letter of 28th May 2009 about my April, 2009 expenses.

Clearly, I was unaware of the new scheme for subsistence and would claim 10 night at £25 = £250

Regarding the repairs and decoration amount of £675 to a bathroom and a bedroom, I did try and claim through my Woolwich (Barclays) House insurance but they put it down to wear and tear and refused it.

In the bedroom water had been seeping in between the roof and the gutter for over 2 years; I paid £1200 to have the roof and gutter leak resolved (again refused by Woolwich) and then I have claimed for the redecoration of one main wall and a corner of another.

In the bathroom, again water has leaked in and this has been repaired; again the Woolwich turned it down.

I hope this is helpful.

Yours sincerely

Derek Wyatt
