## Relax... you could spread the cost of this bill!

Pay by monthly Direct Debit and you could spread the cost of this bill and the cost of your next year's energy over 12 monthly instalments. You can even choose when you take your payment, for example just after pay day!

Plus, when you pay by monthly Direct Debit for both gas and electricity you could receive our maximum annual discount of up to £100\*. Your discount would be applied after 12 months and after each year you continue to pay this way.

To find out more about **Spread & Save** call us on **0845 077 0179†**

\*Spread and Save: Exclusions apply. Monthly payments will be based on current credit or debit balance and estimated future consumption at current prices.  
†Flexible payment dates: You can choose to pay between the 1st and 28th of every month. Direct Debit discount: After you've been with npower and paid by monthly Direct Debit without a break for 12 months, you'll receive a discount off your energy bill. Stay with us and continue to pay in this way and you'll get a £100 annual discount if you buy both electricity and gas, or £20 if you buy just one fuel. Alternatively, if you pay for each quarterly bill in full by variable Direct Debit and take both gas and electricity from us and pay in this way for 12 months without a break, you'll receive £40 annual discount or £10 for a single fuel. npower's Direct Debit discounts are applied to accounts after 12 months. Subject to change. All information is correct as at 14/04/09. \*Telephone calls: We may monitor and/or record calls for security, quality or training purposes.
