Dear Mr Beckett

Your policy number: [REDACTED]
Renewal date: 4th November 2008

Your home insurance is due for renewal

I'm writing to let you know that your home insurance policy is due to renew. Your premium for the next year will be £491.98.

We'll continue to collect your premium by Direct Debit. Your first monthly premium of £40.98 will be automatically collected on 07/11/2008 and then we'll collect £41.00 on the 4th of each month.

We enclose with this letter your schedule, which gives details of the cover you have chosen, including any endorsements and your statement of facts. You will also find a leaflet that details your right to cancel and provides important information on any changes we have made to our home insurance policy. Please read this alongside your policy booklet to ensure you understand if the changes apply to you.

As we haven't talked to you about your renewal we haven't provided a personal recommendation but it is based on your original insurance needs and the information you've previously given us. You must tell us about any change in circumstances, including any changes which may have happened since your last renewal or when you took out your policy.

Please check the new paperwork carefully and if the information is wrong or has changed, give us a call. Any changes may affect the amount you pay and could affect the insurer's decision to cover you.

You'll need to keep your papers in a safe place as you may need to look at them again in the future.

As well as protecting your buildings, Abbey could cover your contents. We offer first class cover and a discount of up to 7.5% off the cost of your contents cover when you arrange both buildings and contents – call us to find out more.

Your Homeserve Plumbing and Drainage Cover renews on 26/11/2008

Dear Mr Beckett,

It is time to renew your Plumbing and Drainage Cover* brought to you by Homeserve Membership Ltd and introduced to you by Severn Trent for another year. Your Policy Summary and the Terms and Conditions of your cover are enclosed - please read them carefully and keep them somewhere safe. If the policy still meets your needs, there is no need to do anything, your cover will renew automatically.

Thanks to your Plumbing and Drainage Cover you can relax. Its good to know that you'll have instant access to a nationwide network of Homeserve approved local plumbers who aim to be with you within 2 hours. And best of all, within the cover limits, there's nothing more to pay; no call out fees, no hourly rates and no other costs.

This policy is designed to meet the needs of homeowners who need cover should a plumbing or drainage emergency occur and are not already covered elsewhere. Through taking out this cover you identified that your needs are met in this instance.

The cost of this year's Plumbing and Drainage Cover is just **£79.99** to renew for another 12 months - including all fees and Insurance Premium Tax.

Here's a reminder of what you get if you experience a plumbing or drainage emergency:

- **Plumbing and Drainage Cover** - DOUBLED to up to £2,000 per claim for emergencies inside your home, for up to 2 claims per year and up to £4,000 per claim for blocked, leaking or collapsed drains outside your home, for up to 2 claims per year
- **2 hour arrival aim** - Homeserve approved plumbers will always aim to be with you within 2 hours
- **24 Hour Claims Number** - open 24 hours a day, 365 days a year, even on bank holidays
- **Hotel accommodation cover MORE THAN DOUBLED up to £500** - if the emergency means your home is uninhabitable for 48 hours or more, you'll get up to £500 towards accommodation in a local hotel
- **No bill to pay** - the bill is settled direct, within the generous cover limits.

Need help? Just call

You don't have to do anything to renew your Plumbing and Drainage Cover. If you do not contact us before your renewal date, we'll automatically renew your policy and your premium will be collected in the usual way. If you're not sure whether your current level of cover matches all your needs, then why not give us a call? We'll be happy to discuss your requirements to help you see which options suit you best - simply call Homeserve **FREE** on **0800 073 1241**.

- You must confirm the cost of the intended repair with the repairer. If it is estimated to be more than £125, please make sure that the repairer rings our Claims Authority Line on 08444 810 550 for an authorisation number. If they do not do this it may affect the amount we pay

8 What we will pay

A. Initial Repair (or repairs related to the Initial Repair)
At the initial repair stage, we will always repair your equipment unless:

We will only replace your equipment if we have agreed to do so before a repair is carried out. When we have replaced your equipment, your plan will end immediately and there will be no refund of the fee you have paid. When we have replaced your equipment you may dispose of the original equipment if it is in your possession. If (during subsequent repair visits) we do not repair the equipment we will replace it with equipment of the same or similar make and specification. You must pay us for our supplier's delivery and/or installation charges and any outstanding fee instalments

If we cannot reasonably arrange a replacement we will pay you a contribution towards the cost of the new equipment, usually this will be vouchers redeemable from a retailer chosen by us. We will base this contribution on the price we would normally obtain directly from our chosen supplier. We will not be responsible for any costs that you may incur to dispose of your original equipment

Dear Mr Beckett,

Thank you for choosing **Water Supply Pipe Cover*** brought to you by Homeserve Membership Ltd and introduced to you by Severn Trent. Your Policy Summary and the Terms and Conditions of your cover are enclosed - please read them carefully and keep them somewhere safe.

Thanks to your Water Supply Pipe Cover you can relax. It's good to know that you'll have access to a nationwide network of Homeserve approved local plumbers who aim to be with you within 2 hours. And best of all, within the cover limits, there's nothing more to pay; no call out fees, no hourly rates and no other costs.

In recommending this policy as suitable we identified that, as a homeowner, you needed insurance cover should a water supply pipe emergency happen. You were not adequately protected against the risk of this event occurring and your needs are met in this instance.

Homeserve believes this policy will meet your needs as it provides:

- **Up to £3,000 per claim** - for location, excavation and repairs, where there is evidence of a leak, including your rising main and internal stop tap, up to 2 claims per year
- **Permanent reinstatement** - where the ground is excavated to repair or replace the water supply pipe, a permanent reinstatement of concrete, tarmac or block paving will be made or the lawn re-laid
- **24 Hour Claims Number** - open 24 hours a day, 365 days a year, even on bank holidays
- **Up to £500 towards hotel accommodation** - in the event that you are completely without water and a same day repair/replacement is not possible
- **Permanent repair guarantee** - all repairs are guaranteed for the lifetime of your Water Supply Pipe policy.

All this for just **£22.99** a year - including all fees and Insurance Premium Tax.

Need help? Just call.

If an emergency occurs, simply call the **FREE 24 Hour Claims Number** and quote your policy number. The nearest available Homeserve approved plumber will be directed to you and will aim to be there within 2 hours. The operator will also talk you through any temporary action you can take to minimise any damage until they arrive.

Nearly 95% of customers surveyed told Homeserve that they were satisfied with the service received[^]. So once the repair is complete, you just sign to say you're satisfied.

Hopefully you won't have to use the service. But if you do, fast, professional assistance from Homeserve is just one call away.

Yours sincerely,

Lara Carter
