I am writing with details of works I would like carried out to my second home, [Redacted]

[Redacted]

The house is in need of general decoration. We have received a quote of £1,800.00 plus materials (£200). This covers the stripping, painting and decorating of all the rooms, including the bathroom.

I would like my allowance to cover the public areas and front bedroom (approx. £1,500). I will pay for the painting of the children's rooms (approx. £500).

There are also a number of windows that need replacing. The double glazing in the main bedroom is blown while the window in the back bedroom comprises a single pain of glass which does not open (vents at top), the window in the bathroom has rotted and is now insecure – the whole quote is £3,435.

- Front bedroom windows £810
- Bathroom Window £1,160
- Back bedroom £1,090
- Middle bedroom sash lifts - £375

I would like my allowance to cover the front bedroom windows and bathroom window (£2,970) will pay for the works to the windows in the children's rooms (£1,465).

The carpets in the house are passed their sell by date – either being stained or severely worn. The quote we have received is for £3,500. Again, I would like my allowance to cover the carpeting of the living areas and main bedroom (approx. (£2,300) while paying for the children's two bedrooms (approx. £1,000).

Page Two

In making my request, I am acutely aware that my Additional Costs Allowance is to fund my accommodation. It is for this reason that I want to directly fund the works on the two small bedrooms inhabited by my three children when they visit [REDACTED]. You will also note, my current mortgage payment of £990.96p is less than what it would cost to cover the rent/mortgage of a one bedroom flat in [REDACTED]

Thank you for giving this matter your attention. If necessary, I would be happy to arrange an opportunity for your colleagues to visit the house to view the proposed works for themselves.

Yours sincerely,

Charles Walker

The carpets in the house are passed their sell by date – either being stained or severely worn. The quote we have received is for £3,500. Again, I would like my allowance to cover the carpeting of the living areas and main bedroom (approx. £2,500) while paying for the children's two bedrooms (approx. £1,000).

In making my request, I am acutely aware that my Additional Costs Allowance is to fund my accommodation. It is for this reason that I want to directly fund the works on the two small bedrooms inhabited by my three children when they visit London. You will also note, my current mortgage payment of £990.96p is less than what it would cost to cover the rent/mortgage of a one bedroom flat in Westminster.

Thank you for giving this matter your attention. If necessary, I would be happy to arrange an opportunity for your colleagues to visit the house to view the proposed works for themselves.
