## Can we help?

### Empty properties

When a property is unoccupied, the charges remain payable unless you inform us in advance and we have the option to turn off the supply at the principal boundary stopcock. No allowances will be made in retrospect or on premises vacant for a period of less than 3 months.

### Domestic Meter Option Scheme

In accordance with the Water Industry Act 1999, domestic customers have the right to request a meter be installed free of charge and pay on the basis of usage. Customers must submit a short application form. Call our Metering Section on 01737 773477 for more information and to receive an application form.

### Rateable value

For customers paying on the basis of Rateable value, this is the valuation shown in the Inland Revenue Valuation List at 31st March 1990. It is not related to the current Council Tax Banding which cannot be used as a basis for water charges. It cannot now be altered or challenged. The only alternative is to opt to have a meter installed.

### Assessed volume water charges

Available to some commercial premises which are not metered. We charge for a fixed amount of water – 15 cubic metres per annum – for each person in the premises. The minimum volume charged for is 30 cubic metres.

### Help for customers with special needs

We operate a Special Services register to provide help and assistance for elderly and disabled customers and those with special needs. This service will not reduce your bill. Call our Customer Accounts Department on 01737 764444 for details.

## Interim Gas Payment Review

### Interim Review of your Energy Payments

We have recently carried out a review of your monthly payment plan to ensure that your payments match the amount of energy you use. When we calculate your payments we take into account:

- \* Your previous usage
- \* The current balance of your account
- \* The prices you currently pay at the date of this bill

The result of the review shows that your Direct Debit payments need to change to £140.00 a month until your annual review is due. You don't need to do a thing, we will automatically make this change to your Direct Debit, which will be effective from 2 January 2009.

Please note that at your Annual Review if there is an outstanding balance of over £150.00 we will debit this amount from your bank account.

If you would like to discuss your payment plan or provide an actual meter reading please call us Free on **0800 015 8862** and we will be happy to help.

Yours faithfully

Director of Customer Care

1. This is confirmation of current gas payments.

2. Electricity charges unchanged since claim submitted on 1 July 2008.
