[Redacted] we started cover for this property on 5th October 2006.

The annual premium for this property is £1189.96 ie the premium for the whole year but because we added it midway through the way, the premium David is paying £704.20. This is being collected using his monthly payments (6 payments remained when we added cover for this property resulting in a payment of £117.36 each month). ✓

Hope this helps.
