Cost of Repaying the Capital

The payments you will make on this mortgage ~~cover only interest~~. You will still owe £250,000 at the end of the mortgage term. You will need to make separate arrangements to repay this. When comparing the payments on this mortgage with a repayment mortgage, remember to add any money that you may need to pay into a separate savings plan to build up a lump sum to repay this amount.

Your quoted premium is **£347.87** ✓

The premium includes Insurance Premium Tax at the appropriate rate where applicable.
