Dear MR P HOLLOBONE

Your npower energy account

We have now set up a Dual Fuel account for you which gives you the advantage of receiving your gas and electricity bills together in a single envelope and also allows you to make a single payment for both fuels. The details of your payments are noted below.

Your monthly payment will be £56.00 due on the 1st of each month (or the next working day if this falls on a weekend or Bank Holiday). The first payment will be taken on 02nd January 2009, from the following bank account:

Bank account name: [REDACTED]

Bank account number: [REDACTED]

Bank sort code [REDACTED]

Your new monthly payment includes £2.00 for your electricity account and £54.00 for your gas account.

If any of the above details are wrong, please let us know straight away so that we can correct them.

We'll send you a statement four times a year for information so that you can see how much energy you've used and check your payments. We'll also reassess your payment amount at least once a year and increase or decrease your payments in line with your energy usage. To make this more accurate, please give us your own meter reading if your statements are estimated.

Details of the Direct Debit Guarantee are shown below. We will collect payments using your customer account number at the top of this letter, our Originator's Identification Number [REDACTED] and you'll see the name npower on your bank statement.

British Gas

Dear Mr Hollobone

It pays to stay with HomeCare.

Thank you for choosing British Gas over the last year. Just to remind you, your HomeCare 400 agreement is coming to an end. You don't need to do anything as your Direct Debit will continue automatically and you'll continue to enjoy the reassurance that comes with:

- Maintenance and repair for your whole central heating system, plumbing, drains and fixed electrical wiring system - giving you peace of mind.*
- No call-out fee, no matter how many times you call us - allowing you to manage your costs.
- No unexpected bills as all parts and labour costs are included.
- An Annual Service of your entire central heating system, your boiler, and a check for water leaks to your internal plumbing pipework - keeping everything working safely and efficiently.*
- Repairs to all gas supply pipework inside your home, between your meter and any appliances- exclusive to this level of service.
- GB-based, 24-hour, 365-day customer helpline.

We'd like to give you a discount.

As you've been fortunate enough not to have needed a repair over the past year, I'm delighted to inform you that you're entitled to our £25.00 no-usage discount. We hope you enjoy another trouble-free year, but if you do need us, we're ready to help - last year we were called out just under four million times.

You'll find your payment details on the back of this letter. But just to confirm, your first Direct Debit payment for next years agreement will be on 15 May 2009 for £34.87, followed by 11 payments of £34.83. Please read this letter in conjunction with your Terms & Conditions including the Summary of Changes section.

Your Direct Debit will continue automatically, so you don't need to do anything. However, it's important to us that you are comfortable with your current agreement. If you have any questions, you can contact a member of our team on **0845 7 365 100****.

Yours sincerely

Gordon Morrison
